Subject: Feedback on PUBLIC PRIVATE PARTNERSHIP IN SCHOOL EDUCATION paper from MHRD

Dear Sir/Madam,

A consultation was held at Bangalore organised by a NGO, Centre for Leadership and Management in Public Services on the 7th of November 2009 to discuss the PPP note. The participants included people working in academic institutions and civil society organisations in Bangalore. The deliberations in the consultation have been collated into this note. The list of participants is enclosed.

There is a concern that the MHRD note has not been widely disseminated for discussion and has been removed from the website of MHRD. We request that there be a wider consultation on the draft policy. We request confirmation of receipt of this feedback and request that MHRD inform us of further developments on this front and how our concerns have been addressed. Please let me know in case you need any clarifications.

Regards,

Suparna Diwakar (Cell number – 094484 80100)
on behalf of the CLAMPS consultation on PPP note from MHRD
